## POEM

She had no airs and graces, no multiple faces  
straight down the line was our Wen  
and there isn't a day, I can honestly say  
that I wouldn't do all over again.

On good days and bad, she shared all that she had  
and you'd never hear her complaining  
you got what you saw, nothing less, nothing more  
and boy!!... could she be entertaining.

Her sense of humour was never off key  
she didn't let life dim her light  
sunshine or rain... she was always the same  
and she knew how to party alright!

To be in her company just for a while  
to share with her all of life's woes  
we were all truly blessed.  
Because she really was the best.

Hard to come by ...are friends such as those  
all of us here to say our goodbyes  
we all have a story or two  
a Mother, a daughter, a sister, a friend,  
we all loved the Wendy we knew.

But whilst we are sad to be parting  
and grieving because she is gone  
we know that for Wendy she's just going home  
back into to the arms of her John.

### **LEGACY OF LOVE**

A sister, a mother, an aunt too,  
this is the legacy we have from you.  
You taught us love and how to fight  
you gave us strength, you gave us might.

A stronger person would be hard to find,  
and in your heart you were always kind.  
You fought for us all in one way or another  
not just as a sister, not just as a mother.

For all of us you gave your best  
and now the time has come for you to rest.  
John is waiting, his arms open wide  
welcoming you back to him with love and pride

So go in peace, into your golden sleep,  
your love in our hearts we'll eternally keep.
